

# REVŞAN POYRAZ

## ARCHITECT

### ABOUT ME

“Recently graduated architect with a solid foundation in architectural design and planning. I am eager to apply my academic knowledge in professional practice and further develop my skills in design and detailing. I am a responsible, disciplined individual who adapts well to teamwork and aims to contribute effectively to projects while continuing to grow professionally.”

### INTERNSHIP

#### OFFICE INTERNSHIP

UFV Architecture, Ankara June 2025

- Assisting in the preparation of architectural drawings and presentations, supporting design development processes, participating in project revisions, conducting fundamental research on materials and building systems, and contributing to internal team coordination.

#### CONSTRUCTION SITE INTERNSHIP

Ibrahim Akyürek Construction , Kayseri July 2024

- Monitoring site processes and supporting daily operations, comparing application drawings with on-site construction, assisting with quantity surveying and cost estimation, observing material and labor flows, and ensuring compliance with occupational health and safety regulations.
